

2500 Pleasant Street · Hannibal, MO 63401

(573) 221-6000

October 12, 2020

We regretfully inform you that our most recent testing has indicated that we have three staff members and one resident positive for COVID\_19. We will continue to test staff and residents based on guidance from federal and state agencies. We will always test anyone who shows signs or symptoms to assist in early detection.

As always, the safety and well-being of our residents and staff is our top priority.
